

DESIGN PATTERNS: NAVIGATION

- 1 Hamburger menu to allow user easy access to menu.
- 2 Search bar so user can quickly get to what she is looking for without going through the navigation.
- 3 Profile option for the user to sign in or create an acct.
- 4 Cart button for user to quickly get to her cart and also display how many items are currently in the cart without having to leave the page she is on.
- 5 Large banner picture probably showing deals or popular recipes etc.
- 6 Carousel buttons to slide between images.
- 7 Drop down option to show all sub categories within the main category. The carrot points down to open it or up to close it.
- 8 Breadcrumbs allow user to know where they are and easily lets them go back to the page they were on before.
- 9 Menu bar slides out from the right and opens for easy access.
- 10 A small bar shows the current page the user is on.
- 11 Categories Option on the main menu allows a second way of reaching categories (The user could also reach them on the main home page).
